\***Validity**: For software, this is the length of time that the product can be used. For hardware, this is the length of time that support is provided.

\*\***Quantity**: For software, this is the number of users who can use the product. For hardware, this is the number of purchased equipment.

This Product License Certificate is evidence of your purchase from AhnLab, Inc. and proof of relevant rights. By purchasing a software product, you are entitled to receive software updates and technical support during the license period. By purchasing a hardware product, you are entitled to receive free maintenance during the initial license period. On the service end date, you would have to sign a purchase agreement for an additional support plan to continue receiving the same level of service.
